

Soaring Affirmations™, Prosperity! ..and Guidance Lite™ perfectly orchestrated the synchronicity that produced and paid for the re-branding of CORE Resonance into VisionariesLab. The whole event is quite a story!

Two very unexpected checks in the total amount of \$4,000 were received two days apart as a very distinct product of Soaring Affirmations™ (SPG).

Note: Prosperity and Abundance is a state of consciousness that allows your life to unfold in right order. Money, or the accumulating of money itself, is not necessarily prosperity and certainly not a true indicator of prosperity. True prosperity is not something that can be taken away from you.
